LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU EMERGENCY ROAD REPAIR AT WINDING WAY

On September 1, 2005, Steve Bubalo Construction Company, Inc., was called to assist District staff to temporarily widen the roadway and to relocate a fire hydrant at 27380 Winding Way in Malibu. This section of the road was damaged during this year's rainstorms. The temporary road widening work was necessary to allow fire truck access through the damaged roadway area until the road is permanently repaired. The work was completed on September 8, 2005, at an estimated cost of \$25,000.

Steve Bubalo Construction Company, Inc., is one of five as-needed, on-call emergency contractors, with a contract approved by your Board on December 1, 2003. We committed to reporting to your Board all emergency repairs carried out under these contracts.
